

WHAT'S NEW ?

We are constantly creating new resources to add to the Mathsbox collection. Take a look below to see what is on our 'to-do' list and what has recently been added.

1. New Resources

- **Indefinite integration** : 19 Question generators just added to make your own bingo games/examples/worksheets etc
- **Combined Ratios** : Questions generators just added (See – PROPORTION – RATIO)
- **Related Calculations** : Differentiated questions and 30 question generators (see PLACE VALUE)
- **Question Generators** : additional question structures for Solving Simultaneous Equations
- **Year 6 SATS** – Worksheet generator for endless Paper 1 – Arithmetic Questions
- **Problem Solving (Primary Year 6)** : The start of our Year 6 collection of problems is on the way

2. Coming Soon

- **Surface area of prisms**: Questions generators on the way to make your own bingo games/ worksheets/ questions to project etc
- **Volumes of prisms**: Questions generators on the way to make your own bingo games/ worksheets/ questions to project etc
- **More Year 6 Problems**: More Year 6 problem solving resources on the way

We have many plans for new resources and although our 'to-do' list is quite extensive, we always welcome new resource ideas. Contact us at: requests@mathsbox.org.uk
