

WHAT'S NEW ?

We are constantly creating new resources to add to the Mathsbox collection. Take a look below to see what is on our 'to-do' list and what has recently been added.

1. New Resources

- **Volume and Surface area of prisms:** Questions generators on the way to make your own bingo games/ worksheets/ questions to project etc
- **Indefinite integration :** 19 Question generators just added to make your own bingo games/examples/worksheets etc
- **Related Calculations :** Differentiated questions and 30 different question generators (see PLACE VALUE)
- **Year 6 SATS –** Worksheet generator for endless Paper 1 – Arithmetic Questions
- **Problem Solving (Primary Year 6) :** The start of our Year 6 collection of problems is on the way
- **GCSE – One Markers –** worksheet maker or questions to project (see Secondary / GCSE Specific

2. Coming Soon

- **More Year 6 Problems:** More Year 6 problem solving resources on the way
- **GCSE Revision resources:** More GCSE revision resources – 10/20 question mixed topic worksheets – calculator and non-calculator
- **Requested GRID format for 'Questions to project' :** Pick your own question structures to print or project up to 10 questions using our question generators.

We have many plans for new resources and although our 'to-do' list is quite extensive, we always welcome new resource ideas. Contact us at: requests@mathsbox.org.uk
