Mathsbox Limited Free Trial – Terms and Conditions

1. Eligibility

1.1 The free trial is available to primary schools only.
1.2 The free trial covers resources for pupils up to and including Year 6.
1.3 Secondary schools, colleges, other educational institutions, individual tutors, parents, and students are not eligible for the free trial.
1.4 Mathsbox Limited reserves the right to approve or decline any free trial request at its discretion.
1.5 Schools are not eligible for a free trial if they have held a paid Mathsbox subscription within the last 12 months.

2. One Free Trial Per School

2.1 Each school is entitled to one free trial only.
2.2 Multiple free trials using different email addresses, staff members, or accounts from the same school are not permitted.

3. Free Trial Duration

3.1 Temporary login details will be emailed within 24 hours of approval.
3.2 The 7-day free trial period begins from the time the login details are sent, not from the time of registration.

4. Access and Login Details

4.1 Login details must not be shared outside the registered school.
4.2 The school is responsible for ensuring that only authorised staff access the free trial.

5. Use of Resources

5.1 All materials available on the Mathsbox website are the property of Mathsbox Limited.
5.2 Materials may be used during the free trial period only.
5.3 The right to use the materials ends when the free trial period expires.
5.4 Any saved, downloaded, or stored resources must be deleted once the trial ends.
5.5 You may not redistribute, reproduce, or compile any Mathsbox content into collections, whether in electronic or printed form, including systematic downloading of any or all content.

6. Suspension or Termination

6.1 Mathsbox Limited reserves the right to suspend or terminate a free trial immediately if these terms are breached.
